

We invite you to explore  
Kapalua Resort's distinct ecosystems.  
Hike up mountain paths flush with  
ferns and native trees or gaze  
across the coast to the islands  
in the distance.

## SAFETY & IMPORTANT INFORMATION

---

With all there is to experience during your stay, we ask you enjoy Kapalua Resort's trails safely and responsibly using the following guidelines:

### STAY ON MARKED TRAIL

Most accidents happen when hikers leave the established trail and disregard warning signs. If you are uncertain about a trail, turn around and return the way you came.

### BRING WATER

Carry at least 2 liters of water per person for a full day hike; dehydration can be serious.

### HIKE WITH A PARTNER

Don't hike alone. Keep track of each other and re-group near junctions or when the trail gets obscure.

### AVOID UNDUE RISKS

Climbing rocks and following narrow ridgelines or gulches off the trail can place you in danger—don't take the chance.

### MONITOR THE WEATHER

Be mindful of quick weather changes especially when hiking along the mountain tops or ridges.

### WATCH THE TIME

Hawai'i does not have daylight savings time and night falls quickly. If you are caught in the dark, stay where you are and use your cell phone to call Security at 808-665-9101.

### WEAR PROPER CLOTHING

Wear closed toe shoes and dress in layers to protect your skin from the sun. A hat, sunglasses, sunscreen and light raingear are recommended.

## EXPLORE THE MOUNTAIN TO THE SEA ALONG THE KAPALUA TRAIL SYSTEM

---

Explore lands rich in history filled with flora and fauna found no where else on earth. Our mountain trails offer spectacular views as they wind around the Maunalei Arboretum, across ridges and through a former golf course. Our Coastal Trail provides an accessible shoreline corridor for viewing abundant marine life and scenic ocean panoramas. Look for *green sea turtles*, *dolphins* and *humpback whales* frolicking in the Pailolo Channel.

Along parts of the coastal trail you may find nesting seabirds called '*ua'u kani*'. Every year they return to raise their young; while the adults forage for food, their fuzzy gray chicks wait patiently in lava rock burrows along the shore. Please be respectful of their habitat and stay on the trail. Today, native seabirds are protected by federal law.

We invite you to enjoy the natural beauty and resources and ask that you to please respect nature and leave a minimal impact along the way.

*Mahalo!*

## Coastal Trail

At the ocean's edge throughout Kapalua Resort, the Coastal Trail runs north from award-winning Kapalua Bay Beach, across the sand dunes at picturesque Oneloa Bay, through The Ritz-Carlton, Kapalua's scenic grounds to popular D.T. Fleming Beach Park. When completed, the 3.5-mile trail will reach historic Honolua Bay, where the voyaging canoe Hokule'a began its maiden voyage to Tahiti, launching the Hawaiian cultural renaissance in spring 1976, and where surfers all over the world come over to enjoy its winter swell.

### WHAT TO KNOW BEFORE YOU GO:

**ACCESS:** Walkers, hikers and beachgoers can access the Coastal Trail from Kapalua Bay Beach, The Bay Villas beach access parking lot, Oneloa Beach, The Ritz-Carlton, Kapalua or D.T. Fleming Beach Park.

**HOURS:** Sunrise to Sunset

**PARKING:** At Kapalua Bay, Oneloa Beach and D.T. Fleming Beach areas as well as at The Ritz-Carlton, Kapalua.

**RESTROOMS:** Available at Kapalua Bay and D.T. Fleming Beach Park

### TRAIL RULES:

Stay on Trail

Carry Out All Litter

No Bicycle or Off-Road Vehicles

Do Not Pick Natural Materials

No Smoking

No consumption of Alcoholic Beverages

Trail Closed from Sunset to Sunrise

Dogs on leash

## Village Walking Trails

A network of walking trails follows the established cart path system located on Kapalua Resort's former Village Golf Course. These scenic trails offer the opportunity to soak in the majestic landscape of Mauna Kahalawai (the West Maui Mountains) at a relaxed pace. Stunning panoramic views of the neighboring islands and a hidden lake with ducks awaits those who venture to the top of the course.

The Village Walking Trails offer three suggested trail routes, ranging from Easy to Difficult.

### WHAT TO KNOW BEFORE YOU GO:

**ACCESS:** Trail starts at the Kapalua Village Center

**HOURS:** Sunrise to Sunset

**PARKING:** At the Kapalua Village Center

**RESTROOMS:** Not Available

### TRAIL RULES:

Dogs on Leash

No Smoking

Carry Out All Litter

Trail Closed from Sunset to Sunrise

## Honolua Ridge & Maunalei Arboretum Trails

Throughout the Maunalei Arboretum you'll discover plants from around the world as well as native Hawaiian plants. The Maunalei Arboretum was created 80 years ago by D. T. Fleming, the visionary plantation manager of Honolua Ranch. He traveled the world seeking new plant and tree species that would complement his island home and planted them like a lei encircling the mountain top.

The Maunalei Arboretum offers three suggested trail routes, ranging from Easy to Moderate.

### WHAT TO KNOW BEFORE YOU GO:

**ACCESS:** Since the Maunalei Arboretum is located above a private and gated neighborhood, it is only accessible via the Mahana Ridge Trail. Cars are not permitted.

**HOURS:** Sunrise to Sunset

**RESTROOMS:** Available at Trail Start

### TRAIL RULES:

Carry Out All Litter

Trail Closed from Sunset to Sunrise

Do Not Pick Natural Materials

No Bicycle or Off-Road Vehicles

No Dogs

No Smoking

## Mahana Ridge Trail

From mauka to makai, this spectacular ridge has amazing views of Mokupe'a and Honokahua Gulches and connects the Maunalei Arboretum to D.T. Fleming Beach Park. For the physically fit, and for those who like a challenge, hikers can trek uphill to the Maunalei Arboretum and back to the resort.

### WHAT TO KNOW BEFORE YOU GO:

**ACCESS:** Access to the Mahana Ridge Trail begins at D.T. Fleming Beach Park or the Kapalua Village Center at 2000 Village Road

**HOURS:** Sunrise to Sunset

**PARKING:** Available at D.T. Fleming Beach Park or Kapalua Village Center

**RESTROOMS:** D.T. Fleming Beach Park or Kapalua Village Center – Also at the Maunalei Arboretum Trailhead

### TRAIL RULES:
